PROFILE

As a junior front-end developer, I am dedicated to crafting user-centric web experiences through clean, efficient, and elegant code. With a solid foundation in HTML, CSS, and JavaScript, I am passionate about transforming design concepts into interactive, responsive, and visually appealing websites. My goal is to continually learn and adapt to emerging technologies while collaborating with cross-functional teams to deliver high-quality digital solutions.

WORK EXPERIENCE

Trainee

The Techrics

2022-2022

- Completed an intensive front-end development training program at Techrics.
